

Traverse City Junior Golf Foundation

'Drive For Junior Golf'

For more than 26 years, the Traverse City Junior Golf Association (TCJGA) has played a prominent role in the Northern Michigan community, supporting, educating and inspiring thousands of young people through the game of golf.

With lessons and tournaments held every summer at generous golf courses across the state, the TCJGA introduces and fosters a passion for the game in young people ages five to 22. The TCJGA also introduces the sport in surrounding elementary schools during the winter months. Because of these comprehensive programs, the TCJGA has been saluted by the golf industry and also has become a model for other junior golf programs in the United States.

The Traverse City Junior Golf Foundation was established as a key component of the TCJGA in order to provide as many children as possible the opportunity to learn, participate and grow by playing golf. In addition, the Foundation is the fuel behind the continued success of this nationally recognized association.

The TCJGA has helped hundreds of kids take lessons and hit the links even if their families have not had the funds to participate. Over the years the TCJGA has given over \$175,000 in college scholarships to members attending numerous colleges and universities across the state and country, including: Ferris State, Michigan and Michigan State.

Over one hundred TCJGA players have gone on to collegiate golf teams and many more have pursued careers within the golf industry. Thousands have entered the working world and utilized golf's "Life Skills" such as honesty, integrity, confidence and respect on a daily basis. All have gained mentors and lifelong friends thanks to the game of golf.

Without your assistance, the TCJGA may have to eliminate the In-School Golf Program and support for less fortunate kids who gain so much from learning and playing the game of golf.

By giving a tax-deductible contribution to the Traverse City Junior Golf Foundation, you can continue the TCJGA's legacy of encouraging kids to learn, grow and enjoy life on and off the golf course.

Thank you so much for your support!

Dudley Smith IV
'Drive' Co-Chairman
